Lake Perris State Recreation Area: Group Camp

Damage/Cleaning Fee Update: A \$50.00 damage/cleaning fee, in the form of a check, will be required at check-in. The check will be returned to you if the sites are in the same condition that you reserved it in. All groups must attend a pre and post walk through with a state representative.

Additionally if you plan on constructing medium to large circus style tents a special event permit will be required, and there will be a charge of:

\$100.00 for 1 to 3 medium tents

\$200.00 for 1 large tent

A maximum of 2 tents per site will be allowed in the group camp area.

A complete Special Event Permit (\$25.00) must also be submitted 30 days prior to the event date. Failure to do so will result in a \$100.00 late fee or cancellation of the event. Permits will not be accepted for approval less than 14 days before your event.

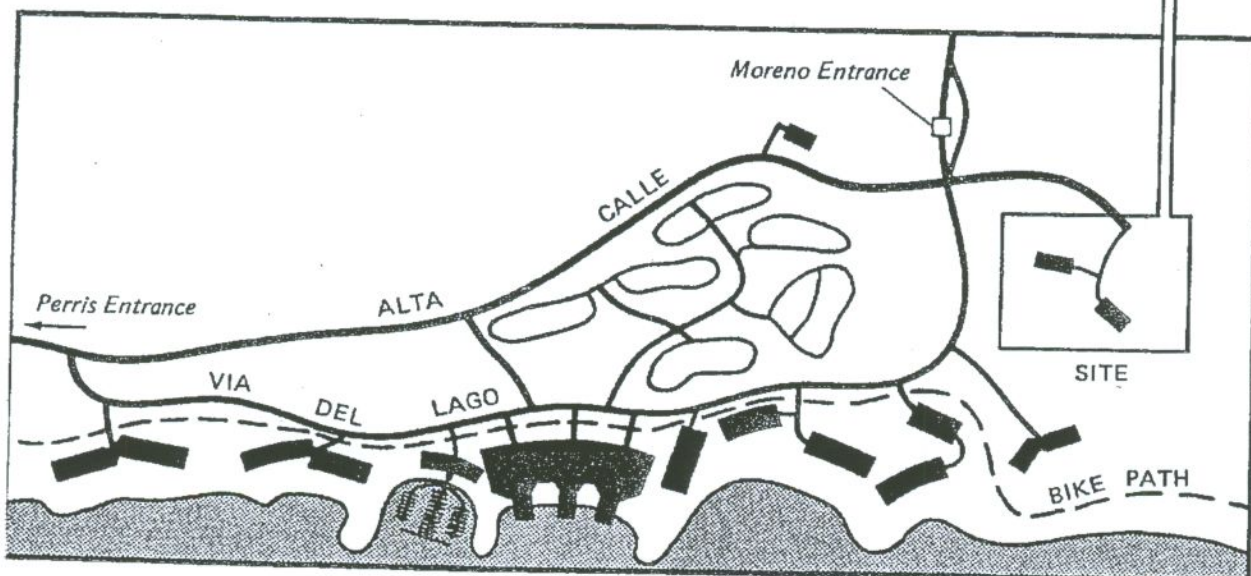

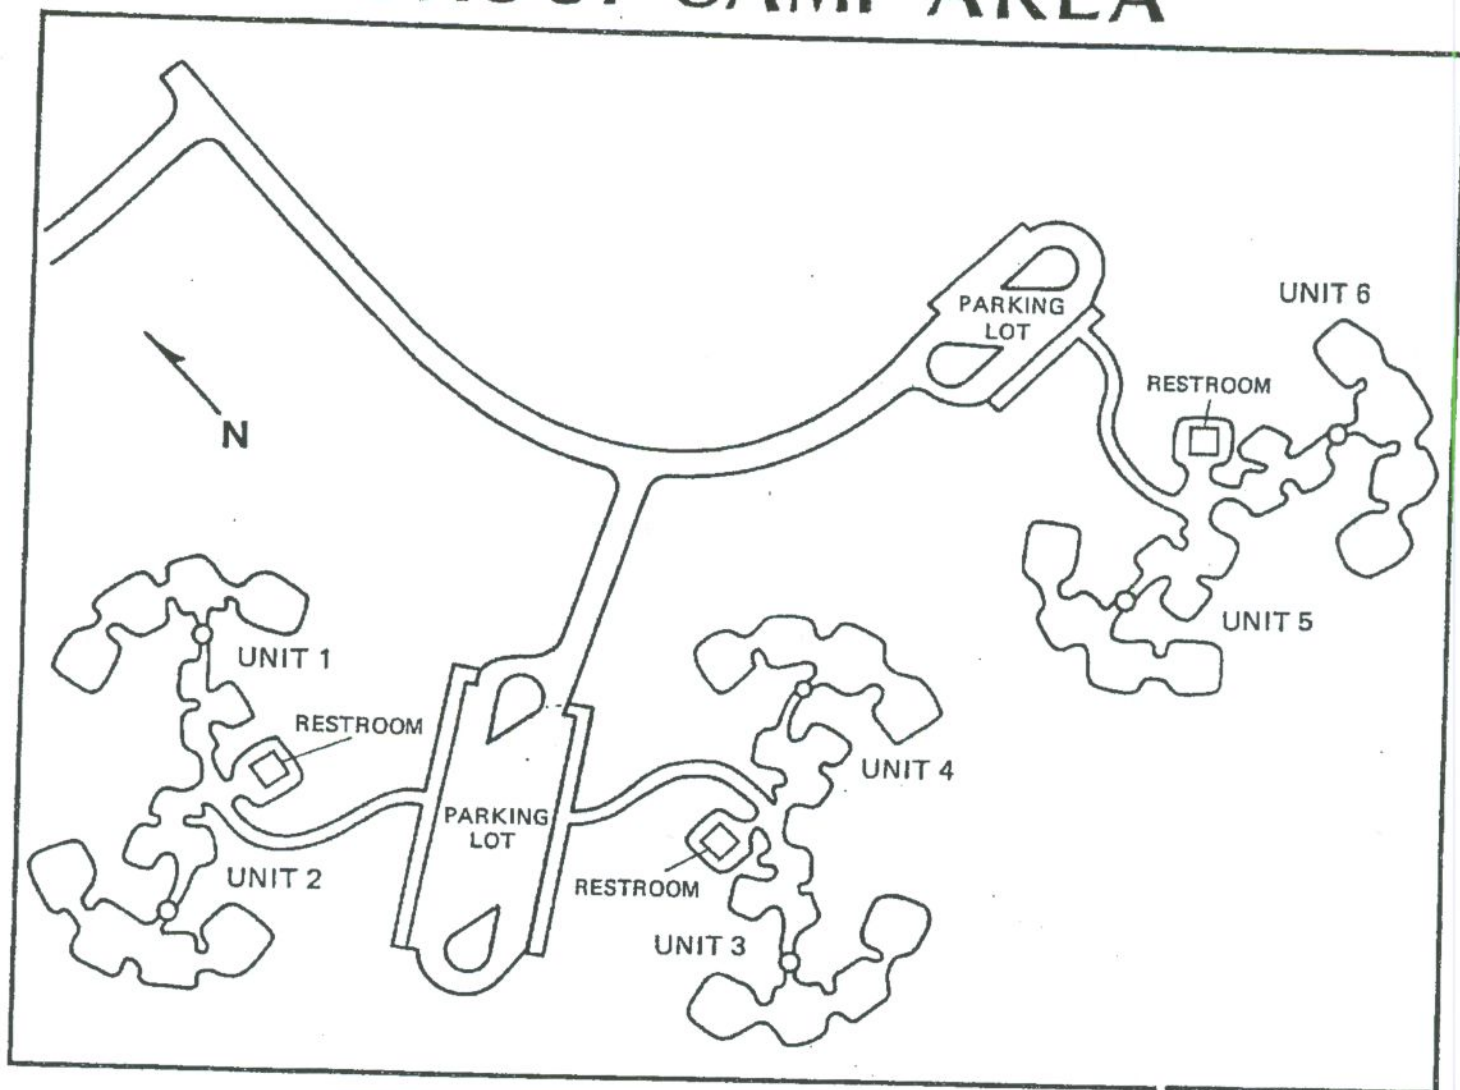

A Special Event Permit is required for anything 'out of the ordinary', including but not limited to jumpers, bounce houses, large circus tents, catering, contests, selling of items or food, etc.

We regret any inconvenience this charge may have on you and your group. It has always been our goal to assist you in having the most enjoyable experience possible at Lake Perris State Recreation Area. If you have any questions or concerns regarding this matter, feel free to contact the campground office at 951-940-5603.

Sincerely,
